

The 48th Meeting of APEC Energy Working Group (EWG)
Port Moresby, Papua New Guinea, 19-20 November 2014

10.b. Peer Review on Low Carbon Energy Policies (PRLCE)

Takato OJIMI
President, APERC

Asia-Pacific
Economic Cooperation

10.b. (1) Objective of PRLCE

Objective of PRLCE:

- “ To assist volunteer APEC economy to promote low-emission power sources such as renewable energy, nuclear and fossil fuel with CCS by providing recommendations from APEC peer review experts.**
- “ APERC is planning to further carry out analyses on best practices for efficient and effective policies to promote low carbon power supplies in APEC economies, and how such best practice policies can be applied, considering different conditions in different economies.**

10.b. (2) History and future of PRLCE

- Phase 1 (2012): Thailand, the Philippines
- Phase 2 (2013): Indonesia, Malaysia
- Phase 3 (2014/2015) **Viet Nam** in planning

- The project proposal of PRLCE Phase 3 was already approved for APEC budget.

- APERC is discussing with the Vietnamese side to have the peer review in **July 2015**.

- APERC will ask EWG members to **nominate experts** for PRLCE in Viet Nam in due course.
