

The 52nd Meeting of APEC Energy Working Group (EWG)

Moscow, Russia, 19-20 October, 2016

8.c. Peer Review on Energy Efficiency (PREE)

Takato OJIMI
President, APERC

**Asia-Pacific
Economic Cooperation**

PREE consists of three pillars:

- **PREE** to provide recommendations for the host economy on how implementation of their energy efficiency action plans could be improved, and **Follow-up PREE** to help a previous PREE host economy to more smoothly implement recommendations on energy efficiency action plans;
- **Compendium** to share information on energy efficiency policies and performance of APEC economies; and
- **Energy Efficiency Policy (EEP) Workshop** to provide a capacity building opportunity and further discuss key issues in policy formation for energy efficiency.

1. PREE

- PREE Phase 6 in **Mexico** is planned to be conducted in **February 2017** (TBC).

2. Compendium

- Compendia of past years are available at:
<http://aperc.ieej.or.jp/publications/reports/compendium.php>
- **Compendium 2016** will overhaul existing process and is expected to be published in the second half of 2017.

3. Energy Efficiency Policy (EEP) Workshop

- Started preparation for **the 2nd EEP Workshop** to be held in conjunction with EGEE&C 49.
- The topic is under consideration.
